

## Resident Council Annual Meeting Minutes November 17, 2022

Cindy Brown opened the hybrid meeting at 1:00 p.m.

James Carthel spoke briefly about the OTTER system and how helpful it was to those who have hearing issues.

Nancy Barrett- Dennehy spoke about reservations for the Christmas dinner. Residents who have lived here for awhile are asked to let the Phase 3 folks register first. If you called last week and left a message, you need to call again this week. If there is no space, ask if you can get take out and then eat in the Heirloom.

Cindy Brown then explained how the new ByLaws have changed the way we elect new Councilors. The Annual Meeting has historically been used to vote for the Councilors, but we now have three Districts and had a paper ballot to vote on the candidates. So the meeting today was only intended to announce the winners of the election.

Cindy introduced and thanked the three Councilors whose terms are up in December 2022: Bonny Groshong, Julia Layden, and Suzanne Townsen. She thanked them for their service and hard work . Cindy also discussed the difference between the Residents Association and the Resident Council. She also gave a brief description of the new Functional Areas. Lastly, she introduced the new our new Vice Chair and the three new Councilors to us.

Steve Morris - Vice Chair

Linda Stern - North District

John Chapman - Middle District

Jude Watson - South District

Ann Watt and Jackie West have been asked to represent the Middle District for 2023 as we otherwise would have only one Councilor.

The meeting ended with the three new Councilors meeting informally with some of their constituents.

Congratulations and thank you to all who ran and to all who serve!

Joncile Martin  
Secretary  
RV Resident Council
