Welcome!

Come and Find the Quiet Center

Music by Shirley Erena Murray; Arranged by A. Royce Eckhardt

Share . . . Dream

Music by Dede Duson; Words by Gwen Frostic

“Listen to days alive with natural song,
Look up and almost touch the stars at night,
Watch thistledown riding on the winds, and
Feel the benediction with the setting of the sun.
Share the serenity of a woodland pond, and
Dream of the day when
Beauty will calm a troubled world.
Share . . . Dream.”

Give Me Your Stars to Hold

Music by Richard Waters; Words by Sara Teasdale

“Peace flows into me
As the tide to a pool by the shore;
It is mine forevermore,
It ebbs not back like the sea.
I am the pool of blue
That worships the vivid sky;
My hopes were heaven-high,
They are all fulfilled in you.
I am the pool of gold
When sunset burns and dies,
You are my deepening skies,
Give me your stars to hold.”

. . . from *Peace*, published in the collection *Love Songs* in 1917
