Cookie-Free Fortunes

Okay to look at past and future.
Just don't stare.

Hard work pays off in the future.
Laziness pays off now.

People enjoy having you around.
Appreciate this.

The older you get, the better you were.

A foolish man listens to his heart.
A wise man listens to cookies.

It takes more than a memory
to have good memories.

Those who bring sunshine to the lives of
others cannot keep it from themselves.

We must always have old memories
and young hopes.
